Mr. Steve Tarlton
RFCA Coordinator
Colorado Department of Public Health and Environment
4300 Cherry Creek Drive South
Denver, CO 80222-1530

Dear Mr. Tarlton:

Enclosed is the Proposed Action Memorandum (PAM) for Buildings 123, 123S, 113, and 114. We appreciate the comments from the Colorado Department of Public Health and Environment personnel, and have responded to them in the enclosed Response to Comments.

A closure plan for partial closure of Resource Conservation and Recovery Act Unit 40 is being developed separately from this PAM. We will forward it to you shortly under separate cover.

The City of Westminster's comments were received on July 20, 1997, well after the close of the public comment period. We will respond to those comments by letter rather than incorporate them into the PAM.

Kaiser-Hill (K-H) has undertaken employee relocation, and will follow with asbestos abatement. We would appreciate expeditious consideration of the PAM as K-H is scheduled to begin work in mid-August.

If you have any questions regarding this PAM, please call William Fitch at (303)966-4013.

Thank you.

Sincerely,

Steven W. Slatten
